Villa Montessori Summer Art Camps!

June 19-23
Art in History Camp

Join us as we discover history through the eyes of the artist! From the Lascaux cave paintings in France, to the Greek & Roman empires and China's Great Wall, we travel through time and explore the expansion of art as a visual representation of history.

July 10-14
Intro to the Impressionists

Monet, Cassatt, Renoir....Oh My! There are just too many wonderful Impressionist artist to list! We will study our favorites and learn how their brush strokes and color placement created sunlight and movement on the canvas.

July 24-28
The Post-Impressionists

Van Gogh, Cezanne, Picasso ...Oh My! The Post Impressionists and their bold use of shapes, color and brush strokes will dazzle the eyes and energize the senses! We will study a handful of our favorites and try our hand at recreating some of the most famous works.

Aug 7-11
Intro to Landscapes

Landscapes are of thought of as the windows to the world! We will study various types from traditional landscapes, to seascapes and cityscapes, creating our very own masterpieces!

Aug 21-25
Intro to Still Life

Still Life is the artist's rendition of everyday life. We'll study how the Master's set up their still lives, looking at each element to see what makes them interesting.
