

Reggio Week 17

Exploring Antarctica

Monday: Painting a Penguin

Materials: black, orange, white, and yellow paint, paper, paintbrushes

Procedure: use the paint to create your own penguin picture

Tuesday: Ice Painting

Materials: ice, thick paper or cardboard, watercolors in cool tones, paintbrushes, shallow container to fit the paper

Procedure: use the watercolors to paint the thick paper, then put ice cubes on the painting and keep painting on top of the ice cubes. Take off the ice cubes for a beautiful painting!

Wednesday: Explore Day

Procedure: Make whatever art you want pertaining to our project/study!

Thursday: Colorful Snowflakes

Materials: coffee filters, markers in cool tones, scissors, paper, spray bottle with water

Procedure: color your coffee filter using the markers, fold the coffee filter into fourths and cut out shapes like you would to make a snowflake decoration, place the cut out snowflake on the paper and spray with the water. The colors will run and mix, creating a beautiful picture.

Friday: Collaging an Orca

Materials: black and white paper, scissors, glue, paper

Procedure: cut out black and white shapes to make your own orca whale!
