

### Worm tracks

Materials- Brown Paint, Paper, Yarn

Activity- Cut yarn different lengths. Dip the yarn in the paint and let the babies drag the yarn along the paper to make worm tracks.

### Bottle Cap fun in the Tub

Materials- Bottle caps, Bath tub, water

Activity- If you happen to have and bottle caps boil them to kill all germs then place them in the tub and let the babies play with them. This will help with their fine motor skills. They can pick them up, clap them together and make music, They can paint with them etc. They can do so much with the bottle caps. You can ad Be creative :)

### Food Box Building

Materials- Food boxes

Activity- Empty used food boxes (Rice, pancakes, cereal, crackers). Use your empty boxes as blocks for your child to build.

Stack same things many ways
